Difficulties finding us?

You can get a map from the internet www.streetmap.co.uk

From the M27 motorway at junction 3 (sign-posted Romsey). After a short dual carriageway you will come to a small roundabout. Take the exit to Romsey. After approximately 1.5 miles you will come to another roundabout and you again take the 1st exit which is sign-posted Romsey. After about 1 mile you will pass the "Romsey Rapids" sports centre on your left and then come to a roundabout. Take the 2nd exit and approx. 200m further on there is a 2nd roundabout by the Plaza Theatre where you turn left. Follow this road along past the Texaco Garage for about half a mile and Berties is on your right. The entrance to our car park is immediately to the right of the building. It's a narrow entrance so take a wide swing in !

From Winchester (M3 Junction 11)

Take the A3090 road signed Hursley or Romsey.

Hursley is approximately 3-4 miles.

After passing through Hursley village continue on the A3090 for another mile when you will find the thatched Corus Hotel on your left. Continue past for approx 3 miles and you will pass a Peugeot Garage on your right. Continue down the hill and under the railway arch until you reach the Plaza Theatre roundabout. Take the 2nd exit past the Texaco Garage through the traffic lights for about 200 metres and Berties is on your right. If you find yourself going round a tight left hand corner you have just missed us!!

The entrance to our car park is immediately to the right of the building. It's a narrow entrance so take a wide swing in !
